Excellence In Quality

Film Weights

The International Metal Decorating and Packaging Association comes to the forefront in conversations on where to be and who to see each May of the year. The Annual IMDPA Conference provides the venue where the industry can gather to enjoy the camaraderie with peers in a social setting starting with the Scholarship Golf Outing. Continuing the mission to provide educational benefits, the next 2 days consist of power packed metal packaging and decorating presentations by some of the best minds in the industry.

This gathering is facilitated by a not for profit Association which consists of dedicated team members who strive to bring the attendees pertinent and valuable seminar content. We should be thankful that each year the group begins planning in October and subsequently conducts 6 monthly meetings to compile a successful conference. However, what many do not realize is that during the 7 month planning window, many conversations and detailed follow up occurs by the session leaders and speakers. The efforts of the volunteer committee members is invaluable and appreciated.

As you should now realize, the IMDPA undertook the rigorous task of establishing an on line membership software program while at the same time introducing a new website all in the timeframe that the Conference was being developed. The goal was to provide the industry with an on line registration system which included the ability to apply for scholarships, join the association, pay dues, apply for Decorators of the Year, enter the Quality Competition and register for the Conference. There is more information inside this issue which should be helpful for those still needing guidance with using the system.

The IMDPA is constantly seeking active committee members and future association leaders. If you want to get more involved please reach out to those officers and directors attending and express your wishes. You can also email us at info@metaldecorators or contact us through metaldecorators.org.

Also, we have new members in attendance wearing new member ribbons and I am sure that they would appreciate a nice welcome into the IMDPA to learn that they too can enjoy the camaraderie afforded.

PACKAGING IN CANS? DESIGNING FOR CANS? DECORATING ON CANS?

Get to market quicker with the INX Color Catalog

The INX 2-Piece Metal Color Catalog is the industry's only true color standard for 2-piece can design.

The Advanced Color Communication tool contains over 600 removable color swatches printed on metal, not paper. Brand owners, designers, and metal decorators have a true representation of color and can select, communicate, and approve color efficiently, reducing lead times and getting to market quicker.

MEMBERSHIP

ON LINE DUES PAYMENTS AND MEMBER PORTALS

The IMDPA, has installed a membership software system where we are offering the opportunity to pay your dues and maintain your personal membership portal.

The Growth Zone membership site is accessible from our website www.metaldecorators.org

DUES

We sent out the 2019 dues invoices to your registered email address in February prior to the launch of the new website. Many members promptly submitted payment upon receiving the dues email. Many of you have remitted your dues on line successfully and some have chosen to download the invoice and pay by check or wired funds. While we prefer on line payments, we are able to accommodate other forms of payment to keep your membership active. That is the goal!

However there are still members who have not paid their 2019 dues.

If you still need to remit your 2019 dues payment, you can find the payment link on our website www.metaldecorators.org in the About Us section under membership. You can also find the link on the bottom of the website pages.

Please contact us at info@metaldecorators.org if you experience any difficulty and will be gladly assist you.

MEMBER PORTALS

We have all of your contact information in a personal portal that was set up for you. Using your registered email address, you will be able to view your information and make any necessary corrections. ***Please keep in mind that the email used in your application will be your username going forward to access your member portal.*** If we do not have your email in our system, you do not have access to the portal. Please note that the membership Directory is available through your personal info hub.

Those who had registered for the previous website member section will need to create an account access with the new system. **Please note that the password previously used for the old system will not work with the new system and you will need to set a new password.**

Realizing that there may be questions on the use of our new system, we encourage you to reach out to us at info@metaldecorators.org and we will provide guidance as needed.

Memorials

We are saddened to report the passing of long time member Mr. **O.N. Kapila** of The Metal Printers from India in December 2018. Mr. Kapila joined the NMDA in 1989 and was a frequent attendee of the Annual Conferences over the years. During his involvement with the business, his company was awarded numerous quality awards from our Excellence in Quality competition.

Website

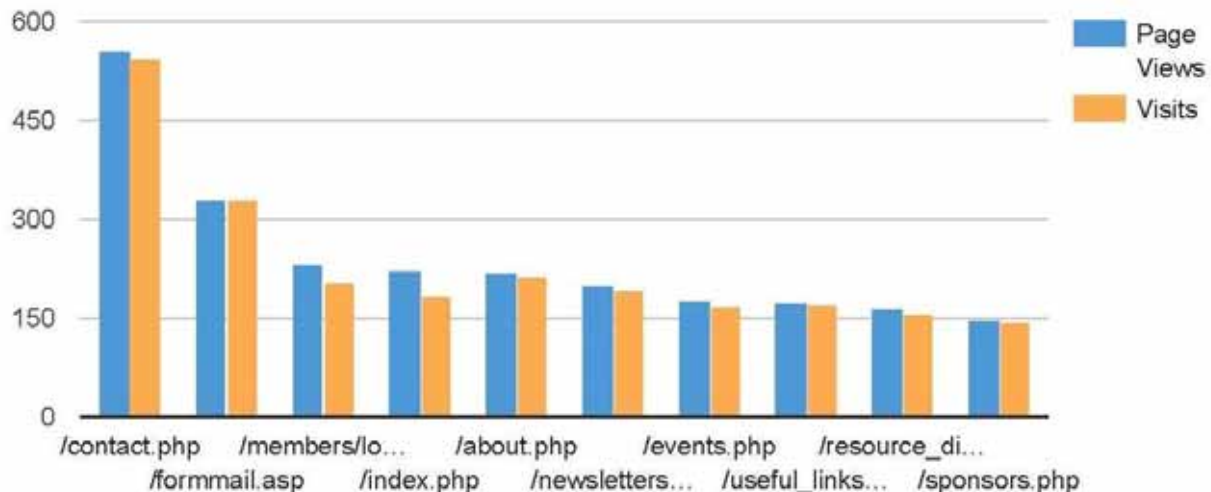

The IMDPA new website has been up and running for 3 months and is being utilized by the Industry. While there have been needed adjustments to the links and such, the site has functioned as a tool to pay dues, register for scholarships, register for the Conference, reserve hotel rooms and register for golf. Many new members have also used the website to join the IMDPA. There you can also find information about the organization's history, publications, and membership. While this new site still continues to develop, as of this writing, the previous years' Conference presentations, videos and photographs have not been posted, but hopefully will be in the near future. Our goal is to post this year's Conference presentations and photographs as in the past.

While the member section from the previous site, and subsequent passwords, was not transferred to the new site and you will now find the membership directory information in our new Membership Growth Zone package.

One important note is to know that the previous website's password does not work on the new Growth Zone site and members will need to create a new page and establish a new password.

Please visit www.metaldecorators.org to view all that there is to offer.

2019

SCHOLARSHIPS

This year we received 21 requests for applications and 16 of those requesting actually submitted applications for consideration. The team of impartial judges consisting of former IMDA presidents fulfilled the tedious task of selecting those who they felt were the most qualified to be a recipient. We will announce the recipients during our Awards Luncheon being held on Wednesday, May 22.

Awards will be given in the following increments.

2 students @ \$2,000.00 each,
2 students @ \$1,000 each
and 5 students @ 500.00 each

Award checks, made payable to the schools, will be mailed to recipients by July 15th.

NEW MEMBER APPLICATIONS

Applicants now have the ability to apply for membership on line in our new Association Software Package. Applications can be found on our website www.metaldecorators.org in the *About Us* section under *Membership* information. Click on the *Join the IMDPA* link and you will be directed to the Association Membership software. Complete the form, advise us if you want to participate on a committee, and submit payment in our secure Association Membership software.

You will be invoiced the \$50.00 initiation fee to join and a pro-rated annual membership fee based on when you are joining. Once the Membership Committee approves your application, you will be assigned your own membership portal where you will be able to review and make adjustments to your information in the system.

Please keep in mind that the email used in your application will be your username going forward to access your member portal.

While we certainly encourage all to use the new system to join on line, we also can provide you with a pdf of a membership application for you to use for joining the International Metal Decorating and Packaging Association. Just email info@metaldecorators.org or use the contact us section of the website to secure your application.

New applicants will begin to receive all membership communications via emails and print once the Membership Committee has approved the application.

TECHNICAL

UNDERSTANDING THE COMPUTING OF THE APPLIED COST OF CONTAINER COATINGS

REQUIRED DATA:

- WEIGHT PER GALLON (WPG)
- TOTAL NON-VOLATILES (PERCENT SOLIDS)
- COST PER GALLON (DOLLARS)
- SPECIFIED FILM WEIGHT (MG / SQUARE INCH)
- CONVERSION FACTOR (ONE POUND EQUALS 453,600 MILLIGRAMS)
- CONVERSION FACTOR (ONE BASE BOX = 31,360 SQUARE INCHES)

STEP ONE:

- COMPUTE DRY POUNDS / GALLON:
 $\text{LBS / GAL} \times \% \text{ SOLIDS} = \text{DRY POUNDS PER GALLON}$

STEP TWO:

- CONVERT DRY POUNDS / GALLON TO MG / GALLON
 $\text{DRY LBS / GALLON} \times 453600 = \text{DRY MG / GALLON}$

STEP THREE:

- CONVERT DRY MG / GALLON TO BASE BOXES / GALLON
 $\text{DRY MG / GALLON} \div (\text{MG / SQ IN} \times 31360 \text{ SQ IN}) = \text{DRY MG / GALLON}$

STEP FOUR:

- $\text{COST PER GALLON} \div \text{DRY MG/GALLON} = \$ \text{ PER BASE BOX AT MG / SQ IN}$
