"The IMDPA is dedicated to improving and fostering advancements in both metal decorating and metal packaging. The IMDPA strives to provide the metal decorating and packaging industry with valuable information and opportunities to network with fellow industry personnel." This dedication will become evident once again as you learn what the IMDPA's Conference committee has assembled for this year's Conference.

In keeping with the general session offerings of a keynote speaker and a financial analyst, we enhanced this year's program with trending sustainability, all important logistics presentations and compliance speakers. Remaining true to our quest to present the latest technological developments, we host the ever popular breakout sessions which are streamlined for flat sheet decoration and two piece decoration. A third session focuses on can manufacturing and supports our expanded association purview relative to metal packaging.

This year's Conference is being held from October 4-6, 2022 at our new location, Eaglewood Resort & Spa in Itasca, IL, USA. October 4th will present our Scholarship Golf Outing and Banquet which is popular for networking with industry friends, both old and new. October 5th and 6th will include presentations of interest to metal decorating and metal packaging personnel alike. Our Conference includes presentations on Wall Street's perspective on metal packaging, Sustainability by the (CMI) Can Manufacturers Institute leaders, Best Practices, Digital Printing, New Printing Equipment, Customer Branding Initiatives, Printing Equipment improvements, Coating developments and an enlightening Keynote Speech by Mike Regan on Logistics which is one of our main concerns in the industry. Our Wednesday Keynote Speaker, Rob Clark, will provide insight on what is developing at Anheuser-Busch. Our not to be missed presentations were selected from topics obtained as a result of members communicating their requests for seminar presentations in the valuable surveys taken during the Conference. We look forward to being with you in October.
